目录

1 Introduction **2**

2 Reference Practice **2**

3 Formula Practice **2**

4 Inserting Images **3**

5 Inserting Tables **4**

6 Reference **4**

1 Introduction

2 Reference Practice

This is the first reference cited [1].
This is the second reference cited [2].
This is the third reference cited [3].
This is the fourth reference cited [4].
This is the fifth reference cited [5].

3 Formula Practice

$$\nabla \cdot \mathbf{D} = \rho_f \tag{1}$$
$$\nabla \cdot \mathbf{B} = 0 \tag{2}$$
$$\nabla \times \mathbf{E} = -\frac{\partial \mathbf{B}}{\partial t} \tag{3}$$
$$\nabla \times \mathbf{H} = \mathbf{J}_f + \frac{\partial \mathbf{D}}{\partial t} \tag{4}$$
$$E = mc^2 \tag{5}$$
$$\tag{6}$$

4 Inserting Images

图 1: 彩色位图

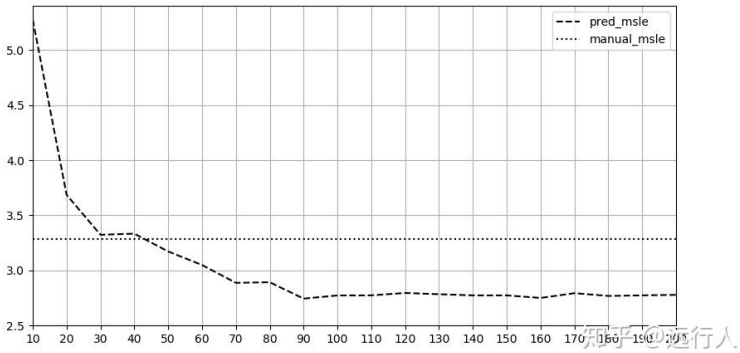

图 2: 黑白曲线图

5 Inserting Tables

Apples	Green
Strawberries	Red
Orange	Orange

表 1: 表格

6 Reference
